

# TDJ-900BKB-W

## Directional Wall Mount Antenna

### Technical Sheet

#### Applications

- CDMA800/GSM900/800MHz trunking communications
- Cellular mobile communication repeater system
- Indoor signal coverage
- Signal Jammer antenna

#### Features

- Broadband operation
- Low VSWR
- Compact size, Good appearance
- White ABS radome , strong adaptability of environment
- Waterproof, Wall mounting

#### Specifications

Model	TDJ-900BKB-W
Freq.Range-MHz	806-960
Gain-dBi	9
Beamwidth-°	H:65 E:60
F/B Ratio-dB	≥10
VSWR	≤1.5
Impedance-Ω	50
Polarization	Vertical
Maximum Power-W	50
Intermodulation-dBm	≤-107(@100mW)
Connector	N female
Antenna Dimensions-mm	250×220×60
Weight-Kg	1
Operating Temperature-°C	-40 to +60
Relative Humidity-%	5-95
Mounting	Wall mounting
Packing Dimensions-cm	25.5×25×6.5

#### Installation Sketch
