

## TQC-0409I Mobile antenna

TQC-0409I mobile antenna, is specially designed for the vehicle mobile communication .This antenna has good VSWR and perfect performance, the small demission make it easy to install.

Specifications	
Model	TQC-0409I
Freq. Range -MHz	457~866
Gain -dBi	2
VSWR	≤2
Nominal Impedance-Ω	50
Polarization	Vertical
Max. Power—W	50
Connector Type	N Female or Customization
Height (without connector)-cm	19
Weight—g	320
